The beach shuts down November 16th, so we will need help at the beach to set up the snow fences, turn water off, and shut the beach down. All items need to be off the beach by that date including boats, boxes, tubes and gear. Thanks to all who showed up during the year, who took advantage of what we offer at the club.</p> <p>We still have both the Wine-down -11/9 and holiday party 12/7 still to come. The election will be held at the wine-down and we will have a new Beach Commodore-Clay Halvorsen and a new Race Commodore-between George Evans and Scott Rathburn. Hope to see all of you there. Keeping this short and sweet, here's to much wind and great weather.</p> <p style="text-align: right;"><i>Vic</i></p>
	<p style="text-align: center;">Security</p> <p>Beach closes on Saturday November 16th 5pm That is the deadline for moving your boat. Due to Sandy Storm we made these deadlines casual. Now, if your boat remains on the beach the club will move it for you at a cost of \$100 and \$50 to drop the mast. If your boat is going home for winter storage the same applies as far as the date, when it must be off the property or you will also be charged a winter rate of \$120. The \$120 winter storage is due now and after December 15th it jumps to \$200. We are still open daily, dawn to dusk, until Saturday November 16th. Winter stored boats are stored on their trailer if you have one, tie it down well!!!</p> <p style="text-align: right;">Nick</p>
