December 2016

Sat, Dec. 3 - Fleet holiday party 7pm Cathouse
Sat, Dec. 24 - Happy Hanukkah
Sun., Dec. 25 - Merry Christmas

A message from the Commodore

YOWSA! YOWSA! YOWSA. Spring is behind us and summer is knocking on the door. There has been a lot going on and I hope you have been to the club to enjoy it. We have sailors here in the water and sailors elsewhere representing the club in some pretty big events. A couple of weekends ago we had 6 teams up at the MadCatter in Syracuse, where there were over 100 boats enjoying themselves on the water. Representing Fleet 250 were Greg Raybon and Nancy Kornblum, Eric Raybon and Megan Durrua, Tommy Butler and Katie Durrua, Mark and Grace Modderman, Judy Raybon, and Wolfgang Kornweibel. All had a great time at the event. After that we had two teams go out to sail in the World Championships held in China; Hobie 16 Masters-Greg Raybon and Nancy Kornblum-finishes 9th and the Hobie 16 youth - Emily Rathburn and Ben Brown (California) - finishing 2nd. Along the way were a couple of Division Pts Regattas in NJ and we will be hosting our Pts regatta August 13th and 14th. Make sure you come down to see the wealth of talent. Please follow this and help out John Keenan, who is running the Race Program.

This all leads into other race events held at the club. We have our Lighthouse Race coming up on June 26th, and then the Annual Statue of Liberty Race to be held July 3rd. This is preceded by our Anniversary Party (39 years and still going strong) Saturday July 2nd at 6pm. We have a fun race the following weekend and this leads to some championship racing the next 5 weeks. Starting with the Albacores (July 16 & 17), Lasers (July 23 & 24), A-Cats (July 30 & 31), Bluewater Regatta (August 6 & 7), and our Pts Regatta August 13 & 14. During this time we also have our own club racing going on-check the web-site for details. During this whole time, we have general sailing from our club into the Sandy Hook Bay. Come on down and participate.

Besides being on the water, we have a host of events that occur on land. We had our annual Wine-Up Dinner Band Party where we had steak, clams, salads and cheesecake in which we had over 90 people attend. The Electric Moose performed and this was all coordinated by our Vice-Commodore Henry (Skip) Cioffi, who did one helluva job! The next big bash will be the Anniversary Party (previously mentioned) July 2nd.

We also have projects planned at the club which is run by Curtis Butler. We plan on redoing the stairway coming into the club from the upper lot and fence replenishment (knocked out from Sandy). We will have work parties on the 18th and the 25th to knock this out. Please try and attend if you can give a hand amongst other minor beach clean-up duties. Beverages and lunches will be given to those who help.

Rory O'Connor has been handling the membership. As you come in we try to get the sticker to your boat or trailer. As we move on, if your boat or trailer do not have a 2016 sticker on it please let myself or Rory know. We will take care of that. It helps to identify if there are any logistic problems. If you don't have a sticker on your trailer it would help to put your name in marker on the tongue or mast holder.

A couple of things to remember while you are at the club: Respect other people's spaces, clean up after yourself and place the trash in the proper receptacle (we do recycle), when leaving the water's edge do pick up any broken glass you see and deposit it, keep the wheels above the high water mark and at the end of the day bring the wheels to the bulletin board area. Please close the doors when done in the bathrooms and before you shower knock off the sand from yourself (the drains will clog).

Trying to keep this short and sweet. Thanks to the officers who continue to do those tasks at hand to keep the club moving forward, and here's to much wind and great weather.

~ Vic Simon Commodore

A message from Skipp Vice Commodore

The SHCC staff would like to request the presence of all members, their guests and friends to attend our 39th anniversary party on Friday, July 2, 2016. My cousin's band, Ryan Chiarella & The New Breed, will be our live entertainment for the evening. For dinner that night, Jersey Shore BBQ will be providing some of the best BBQ items they have, along with summer type salads, clams and corn. For the kids, we will have burgers and dogs, as well as some special desserts. So please, all members if you plan on joining us on July 2nd, send me an email with how many guests. Thanks in advance.

John Race Report Staff Commodore

Attention All Sailors,

The ice breaker trophy is still up for grabs and the weather and water are warm!!! No battling for the ice breaker trophy in uncomfortable conditions this year. We've tried to give the last few races a go but due to no wind and bad conditions we have had to cancel the races. So, if you still want to start, now is a good time, because we are all starting with a clean slate. Some nice events are heading our way. Sunday, June 19th is a learn to sail instructional starting at 12 noon. The lighthouse race is on Sunday, June 26th, skippers meeting at noon. The light house race is a great race to get everyone out of the bay and get their bearings if they are looking forward to doing the statue of liberty race on July 3rd. On a closing note, I hope to see everyone at the beach for some fun, sailing, and good times.

Sincerely,

John Keenan

Race Commodore

Membership June 11, 2016

Ahoy Sailors! This year is shaping up to be a good year for the club - with 127 boats on the beach and more trickling in. There is always room for new members, so if you know someone who is interested you can let them know. The 22 social members enjoy the benefits of such a great club as well as contributing their time and energy to the club.

Many new people have joined this year and their first impression is very positive. They are impressed with the atmosphere of openness and friendship that they have encountered.

My hat goes off to all the club members who have helped make this club what it is today.

Regards,

Rory O'Connor

Membership Secretary
